

## **Biography:**

Wassila ISSAADI is a **Doctor of Sciences** in Department of Electrical Engineering, University of Bejaia, Algeria and received her Doctorat (PhD) degree in September 2016. She obtained Magister degree in 2013, and the diploma of state engineer in 2011. Her current research interests include Robotics, Automatics, adaptives and robust control, Photovoltaics and its Controls, Artificial Neural Network and Fuzzy Logic Theory. She is author of many research papers published at both International and National journals (**Elsevier and IEEE**), Conference proceedings.

Now she works as Editor for Nova Science Publisher and Springer Publisher for four collections of Books in Robotics and Renewable Energy, and also as Guest Editor for upcoming collection for the journal of Advances in Mechanical Engineering for publisher Sage. She is an Editorial Board Member for reputed in International Journals:

**1-**American Journal of Neural Networks and Applications.

**2-**IET Micro & Nano Letters.

**3-**International Journal of Advanced Research in Engineering & Management.

**4-**Elixir Editorial Advisory Board.

**5-**Recent Advances in Electrical & Electronic Engineering, Bentham Science Publishers (BSP).

**6-**Journal of Power and Energy Engineering for the Scientific Research, an Academic Publisher.

**7-**International journal of Applied Mathematics for the Scientific Research, an Academic Publisher.

**8-**International academy of science, Engineering and Technology.

**9-**International Journal of Applied Mechanical Engineering.

**10-**Progress in Human Computer Interaction.

She is also a reviewer in renowned journals: **Energy Strategy (Elsevier)**, **Solar Energy (Elsevier)**, International Journal of Renewable Energy Research-IJRER Cited in SCOPUS, EBSCO and Thomson Reuters and International Journal of Energy Research (Wiley),

International Journal of Management, Information Technology and Engineering and many others journals and serving as an Editorial Board Member of reputed conferences and both an **Editorial Board Member and Reviewer in conferences events:**

**1-** 2nd World Congress on Wind & Renewable Energy June 14-15, 2018, London, United Kingdom (UK).

**2-** 4th Virtual International Conference on Science, Technology and Management in Energy October 25-26, 2018.

**3-** Virtual Conference on Science, Technology and Management in Energy. “eNergetics 2017” held in Serbia.

**4-** 5th annual International Conference on Material Science and Environmental Engineering, MSEE 2017 , December 15th-17th, 2017, Xiamen, Fujian, China.

**5-** The Second International Conference on Energy Engineering and Environmental Protection held on November 20-22, 2017 in Sanya, China.

**And potential speaker for:**

**1-** International Conference on Design and Production Engineering “DPE2016” at Berlin, Germany 2016.

**2-** 2nd World Congress on Wind & Renewable Energy June 14-15, 2018, London, United Kingdom (UK).

**3-** 4th Virtual International Conference on Science, Technology and Management in Energy October 25-26, 2018.

**4-** Virtual Conference on Science, Technology and Management in Energy. “eNergetics 2017” held in Serbia.

**5-** 6th International Conference on Renewable Energy Research and Applications, ICRERA-2017, San Diego, CA, USA.

**6-** 3rd Annual Congress on Pollution and Global Warming October 16-18, 2017 Atlanta, Georgia, USA.

**7-** 12th International Conference on Environmental Toxicology and Ecological Risk Assessment October 19-20, 2017 Atlanta, Georgia, USA.

**8-** International Summit on Conventional and Sustainable Energies March 30-31, 2018 Orlando, Florida, USA.

**9-** 3rd Annual Congress on Pollution and Global Warming, October, 16-18, Atlanta, USA.

**10-5th International conference on Automation and Robotics April 16-17, 2018 Las Vegas, USA**

**11-Robotics and Artificial Intelligence October 23-24, 2017 Osaka, Japan.**

**12-Mechatronics, Automation and Smart Materials, November 13-14, 2017 Paris, France.**

**13-International Conference on Clean Energy for Worlds Electricity Grids scheduled during November 20-22, 2017 at Geneva, Switzerland.**

**14-International Summit on Sustainable Energies Conference held on October 23-24, 2017 in the city of Orlando, Florida USA.**

**15-2nd International Conference on 3D Printing Technology & Innovations on March 19-20, 2018 London, UK organized by conference series LLC.**

**16-2nd World Congress on Wind and Renewable Energy 2018” (Wind and Renewable Energy 2018) on June 14-15, 2018. Will be held in London, UK.**

**17-4th International Conference on Past and Present Research Systems of Green Chemistry . Location, Atlanta, Georgia, USA.October 16-18, 2017,Atlanta, Georgia, USA**

**18-16th International Conference on Renewable Energies and Power Quality (ICREPQ'18)”, held in Salamanca (Spain) from 21 to 23 of March, 2018.**

**19-Third International World Congress on Smart grids and Renewables, July 11-12, 2018 Sydney, Australia , CSP“2017.**

**20-The 5th International Conference on Control & Signal Processing 28-30 October 2017 - Kairouan, Tunisia.**

**Doctor Wassila ISSAADI** teaches in University courses in Automatismes and robotics.

Doctor Wassila **ISSAADI** worked as Chair Member in International Conference on Design and Production Engineering “**DPE2016**” at Berlin, Germany 2016, and Chair for session of her interest in International Conference on Design and Production Engineering “**DPE2017**” at Paris, France 2017. She is Chair and speaker for session in "2<sup>nd</sup> World Congress on Wind and Renewable Energy" June 14-15, 2018 at London, United Kingdom (UK).
